

**Precise**  
FACILITIES

# Calibration

## MOBILE

Precise Calibration, We'll bring our Calibration Laboratory to you!

Our Mobile Calibration facilities are managed through our fixed facilities and are considered an extension of our fixed laboratories. All Mobile Calibrations are in compliance with ISO/IEC 17025. Our Mobile Calibration Facility is stocked with equipment and personnel appropriate for your job.

**Perth Calibration Lab**

## Electrical

- › Analogue and Digital Multimeters
- › Chart Recorders
- › Clamp Meters
- › CT Analysers
- › Data Loggers
- › Decade Boxes
- › Earth Testers
- › Frequency Generators/Counters/Timers
- › High Voltage Test Sets to 150KV AC/DC
- › Hipot/VLF Testers to 150KV AC/DC
- › Injection Sets
- › Installation Testers
- › Micro-ohmmeters
- › Millivolt/Milliamp Sources
- › Multifunction Calibrators
- › Multifunction Process Meters
- › Optical Tachometers
- › Oscilloscopes
- › Partial Discharge
- › Power Quality Analysers
- › Power Supplies
- › Primary Current Injection Sets
- › Process Instrumentation/Calibrators
- › RCD Testers
- › Relay Test Sets
- › Secondary Current Injection Sets
- › Substation Test Sets
- › Transformer Turns Ratio Testers
- › Winding Ohmmeters

## Pressure

- › Differential Gauges
- › Digital Pressure Indicators
- › Pressure Calibrators
- › Pressure Gauges
- › Pressure Recorders
- › Pressure Transmitters
- › Standard Test Gauges
- › Vacuum Gauges

## Temperature

- › Digital Thermometers
- › Dry Block Calibrators
- › IR Cameras
- › IR Thermometers
- › RTD Probes
- › Temperature Gauges
- › Temperature/Humidity Meters
- › Temperature Recorders
- › Temperature Transmitters
- › Thermocouple Probes

## Torque

- › Torque Screwdrivers
- › Torque Wrenches

## Personal Protection Equipment

- › HV Earth Sticks
- › HV Gloves
- › HV Hot Sticks
- › HV Mats
- › HV Rescue Kits
- › Insulated Gloves
- › Insulated Sticks
- › LV Gloves
- › LV Mats
- › LV Rescue Kits
- › Personal Earthing Device
- › Phasing Sticks
- › Rescue Hooks
- › Rescue Sticks
- › Voltage Detector
